## **Continuing Product Life Notice** **for B-700 / B-600 Series Engravers**

Dear 700 and 600 series engraver owners,

Retro Technologies wants you to know that your access to Free Telephone support, Replacement Parts and On-site Service for all 700 and 600 series engravers will be guaranteed - even after July 1, 2009.

We offer high quality technical and application support, parts repair, operational upgrades and complete system rebuilds.

Our goal is to provide continuing support for, and extend the longevity of all B700 and B600 series engravers worldwide.

So, even if your equipment is as old as this, we can help you maintain it with parts, repairs and service.

With cylinder margins being what they are, we can help you manage your profits by keeping your current equipment operational for years to come.

If you have any questions or concerns regarding the sustainability of your engravers, please feel free to contact us at:
